JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

poses and leave all such emigrants, travelers, or persons and all such sick, diseased, or unclean persons, with their stores and baggage, as in the opinion of the officers stationed at such quarantine sites, places, or boundaries shall be deemed proper on account of the existence or general report of the cholera, ship fever, or any contagious disease or diseases, apprehended to endanger the health of the city. Said board of health shall also have power whenever in its opinion such action is necessary to establish and maintain for such length of time as it may deem necessary a strict quarantine against such persons coming to said city of Everett from any other city or locality wherein the existence of any contagious disease is known or reputed, and in case of general epidemic to quarantine against all persons coming to said city from any locality, in either of which cases said board shall give notice of such quarantine by proclamation.

SEC. 33. Whenever it shall be deemed necessary to issue such proclamation it shall be the duty of the secretary of the board of health to send the same, together with the substance of the regulation for the quarantine and the period for which the same shall be enforced, unless sooner revoked, to such cities and places as said board may deem necessary.

SEC. 34. Said board of health shall also cause to be stationed at such quarantine sites, places, and boundaries, as it may deem suitable, one or more physicians or officers, whose duties shall be to go on board and examine all boats, vessels, or cars, or public conveyances so as aforesaid required to touch or stop at said quarantine, respectively, and then and there determine what emigrants, passengers, or persons, if any, shall stop at such quarantine; and it shall be the duty of all persons conducting or in charge of any such vessel, boat, car, or public conveyance to aid and assist any such physician or officer in the exercise of his duties. Said board of health shall also, in the event of a general quarantine against all persons coming to said city from any locality appoint such number of persons as it may deem necessary, whose duties it shall be to see that no person or persons enter within the limits of such quarantine district during the period that quarantine may be maintained, and during the time that such persons shall be so employed they shall be under the control and supervision of the health officer and subject to his orders.

SEC. 35. Any master of a vessel, conductor, captain, or person whatsoever who shall violate any clause, provision, or requirement, duty, or regulation of this ordinance, or who shall fail to comply with any requirement hereof, or who shall interfere with or in any manner resist any officer or agent of the city in the discharge of his duty as herein contemplated, or who shall commit any breach of the peace or be guilty of any act or thing calculated to defeat or interrupt the carrying into effect of any provisions of this ordinance, shall, upon conviction, be subject to a fine of not less than $25 nor more than $100 or to imprisonment for a period not exceeding 30 days, or to both such fine and imprisonment.

Drinking Water—Sources of Impure to be Closed. (Ord. 1589, Apr. 14, 1914.)

SEC. 36. Whenever the attention of the health officer is called to the water in any well, or cistern, or spring, or other source of supply in the city of Everett which, after careful examination, is found to be impure, contaminated, and unfit to drink, it shall be the duty of the health officer to serve in writing that [sic] such water shall not longer be used for drinking purposes, and it is hereby made the duty of the board of health to order the closure, filling up, or destruction of any well or cistern or other source of supply whose waters are found to be impure, unless after proper cleansing it is found that the water is healthful,

to the satisfaction of said board. Any tenant, owner, agent, or individual whatsoever who resists, opposes, or attempts to in any way interfere with said work of the said board or resists any properly authorized officer in the discharge of his duties shall be subject to the penalties herein provided.

Slaughtering—Regulation of. (Ord. 1589, Apr. 14, 1914.)

SEC. 21. No person shall kill or dress any animal, or permit the same to be done, within the inhabited portion of said city, nor shall any person throw or permit to be thrown any entrails, offal, horns, garbage, rubbish, or other offensive or putrid matter into any of the streets or alleys or public places or upon any vacant lot or upon any private premises in said city or to conceal the same upon his own premises.

SEC. 22. No person shall kill or cause to be killed for the purpose of sale any pig, calf, or lamb less than six weeks old nor have in his possession with intent to sell the same the meat of any such animal killed when less than six weeks old within the city of Everett. All such meat found in the possession of such person shall be seized by the health officer and destroyed.

Buildings and Premises—Care of—Abatement of Nuisances. (Ord. 1589, Apr. 14, 1914.)

SECTION 1. *Keeping premises clean.*—No person being the owner, agent, or occupant of any lot or premises shall cause, suffer, or permit such premises, or any excavations, buildings, vessels, vehicles, sewers, privy, privy vaults, cesspools, sinks, drainpipes, or other thing thereon to become unclean, foul, nauseous, offensive, dangerous, or detrimental to health.

SEC. 2. *Throwing refuse on streets or property.*—No person shall maintain or suffer to remain in or upon any premises owned, occupied, or controlled by him any filth, garbage, manure, offal, refuse, dead animals, putrid or decayed animal or vegetable matter, or any thing or substance which is foul, nauseous, offensive, or disagreeable odors or fumes; and no person shall cast, throw, or deposit, or cause to be cast, thrown, or deposited any of such matters or substances on or upon any premises, public or private, occupied or unoccupied, or upon any street, avenue, alley, park, or public place, or along any railway, or in any rivers, water courses, or bodies of water, or suffer or permit any cars, wagons, or vehicles laden with such substances to stand anywhere in the city of Everett.

SEC. 3. *Meats and hides.*—No person shall keep or cause to be kept any stale, putrid, or stinking fat, grease, or meat, or keep any green or salted hides, pelts, or skins which have become foul, offensive, or nauseous by reason of their bad and unwholesome odor, nor shall any person keep any undressed hides, unless they are properly salted, for more than 24 hours, except in places where they are to be manufactured.

SEC. 4. *Carcasses.*—No person shall keep, cast, or deposit, or cause to be kept, cast, or deposited on any private premises or on any public place or premises, or upon the garbage scow of the city of Everett, the carcass of any dead animal; nor shall any person permit the carcass of any dead animal which belonged to him at the time of its death, to remain undisposed of for more than six hours after its death, but shall promptly deliver the same to the garbage-scow tender.

SEC. 5. *Liquids.*—No person shall cause or permit any foul or offensive slops, refuse, seepage, or drainage from cesspools and vaults or nauseous, foul, or offensive liquids or substances, or liquids or substances likely to become foul,
